PREFACE

This report presents the biographical characteristics and achievements of the 1378 cadets who entered the Class of 1976. A separate report will compare selected characteristics of this class with previous classes. Two-hundred and seventy-nine members of this class took both the CEER and the ACT, while two-hundred and four completed the ACT only. The admission scores listed in Tables 1, 2 and 3 are for the 1094 Cadets whose admission was based on the CEER, while Tables 4, 5 and 6 are for the 284 Cadets whose admission was based on American College Test scores. The following abbreviations, explanations and definitions of terms apply to this report.

CEER

College Entrance Examination Board Tests and High School Rank (this is a statistically derived weighted composite score of four College Board tests (Scholastic Aptitude Test-Verbal, Scholastic Aptitude Test-Mathematics, English Composition, and Mathematics Achievement) and a standardized high school rank score).

High School Rank

This is a score derived by converting the actual high school rank to a standard score, using a formula developed by the Educational Testing Service.

Whole Man Score

This is a weighted composite score of the CEER, the Physical Aptitude Examination score and the Leadership Potential Score.

Physical Aptitude Examination Score

This is a weighted composite score of the CEER, the Physical Aptitude Examination score and the Leadership Potential Score.

Leadership Potential Score

This is a score derived from the ratings of the candidate by his secondary school teachers and evaluations by admissions officials of his type of participation in athletic and other school and community activities.

ACT

American College Testing Program

ACEER

ACT scores converted to the 200-800 range of the CEER.
